Please make a diligent effort to participate in the Liturgy on your scheduled dates and times. It is understandable that sometime during the year you will need someone to take your place. When this happens please contact a substitute as soon as you are aware of the need and notify the parish office with the name of the substitute so we may publish the correct information. If you encounter difficulty in finding a substitute, please contact the Liturgy Coordinator.

The Liturgy Coordinator Schedule for the 1st quarter is provided separately. Periodic updates will be distributed.
